

DEAR RESIDENT:

We all have a stake in keeping Clarkstown clean. That is why our Town has developed a comprehensive program for Household Garbage Collection, Bulk Pick-Up, Yard Waste, and Recycling.

This mailer explains the "what," "how," and "when" for Household Garbage and Bulk Pick-Up. Separate mailers will explain the rules for the Recycling Program and Yard Waste.

We have also provided phone numbers for additional information or questions about other waste disposal programs. Following the simple rules will help all of us do our part in keeping our Town clean.

Thank you,

George Hoehmann

CLARKSTOWN

HOUSEHOLD GARBAGE
AND BULK COLLECTION 2017

HOUSEHOLD GARBAGE COLLECTION

Collection of household garbage is performed twice a week on the following two days: Monday/Thursday; Tuesday/Friday; or Wednesday/Saturday. Each home (1,2, & 3 family only) is issued one official garbage collection sticker by the Tax Assessor's Office. The sticker must be placed on the household garbage container. Additional stickers are available for a fee.

Our contract with the garbage carters provides for 'side door pick-up' up to 125 feet from the street, or you may place your garbage containers on the curb. If you choose to place your container at the curb for pick-up, you are responsible for removing the container from the curb after pick-up.

A FEW SIMPLE RULES

1. Only containers with stickers will be picked up.
2. Each container must be covered.
3. Containers cannot exceed 48 gal. or 60 lbs. of garbage.
4. All garbage must be bagged and placed inside the covered container.
5. Covered containers must be placed outside the night before the scheduled pick-up.
6. Remove the empty container from the curb after each collection.

2017 Bulk Pick-Up Information and Schedule

Our Town's Bulk Pick-Up program helps homeowners dispose of the household items that appear on the Acceptable Household Bulk List. Items must be brought to the homeowner's curb no earlier than the weekend before the Bulk Pick-Up Schedule date and no later than the night before the scheduled pick-up. Loose items should be bagged and bundled.

Contractors who work in your home are responsible for removing all debris that results from their work.

Electronic Recycling

Please note that electronic equipment, including televisions and computers, will not be picked up by the garbage carters. You may dispose of your electronic equipment at the Rockland County Household Hazardous Waste Site in Pomona 845.364.2444 or ARC of Rockland Electronics Recycling Operation in Congers 845.450.5900.

Acceptable Household Bulk List
