- (h) "Refunding Bond Amount Limitation" means an amount of Refunding Bonds which does not exceed the principal amount of Bonds To Be Refunded plus the aggregate amount of unmatured interest payable on such Bonds To Be Refunded, to and including the applicable Redemption Date, plus redemption premiums payable on such Bonds To Be Refunded as of such Redemption Date, as hereinabove referred to in the Recitals hereof, plus costs and expenses incidental to the issuance of the Refunding Bonds including the development of the Refunding Financial Plan, and of executing and performing the terms and conditions of the Escrow Contract and all fees and charges of the Escrow Holder as referred to in Section 10 hereof.

Section 2. The Town Board of the Town (herein called the "Town Board"), hereby authorizes the refunding of the Bonds To Be Refunded, and appropriates an amount not to exceed \$8,400,000 to accomplish such refunding. The plan of financing said appropriation

includes the issuance of the Refunding Bonds in the principal amount of not to exceed \$8,400,000 and the levy and collection of a tax upon all the taxable real property within the Town to pay the principal of and interest on said Refunding Bonds as the same shall become due and payable. Bonds of the Town in the maximum principal amount of \$8,400,000 and designated substantially as "REFUNDING SERIAL BONDS-2015" are hereby authorized to be issued pursuant to the provisions of the Law. The proposed financial plan for the refunding in the form attached hereto as **Exhibit A** (the "Refunding Financial Plan") prepared for the Town by its Financial Advisor, Munistat Services, Inc., and hereby accepted and approved, includes the deposit of all the proceeds of said Refunding Bonds with an Escrow Holder pursuant to an Escrow Contract as authorized in Section 10 hereof, the payment of all costs incurred by the Town in connection with said refunding from such proceeds and, to the extent required, the investment of a portion of such proceeds by the Escrow Holder in certain obligations. The principal of and interest on such investments, together with the balance of such proceeds to be held uninvested, if any, shall be sufficient to pay (i) the principal of and interest on the Bonds To Be Refunded becoming due and payable on and prior to each applicable Redemption Date and (ii) the principal of and premium on the Bonds To Be Refunded which are to be called for redemption prior to maturity on any such Redemption Date.

Section 3. The Bonds To Be Refunded referred to in Section 1 hereof are all or a portion of the Outstanding Bonds issued pursuant to various bond resolutions duly adopted by the Town Board on their respective dates, authorizing the issuance of bonds of the Town to finance various purposes of the Town. In accordance with the Refunding Financial Plan, the Refunding Bonds authorized in the aggregate principal amount of not to exceed \$8,400,000 shall mature in amounts and at dates to be determined. The Supervisor, the chief fiscal officer of the

Town, is hereby authorized to approve all details of the Refunding Financial Plan not contained herein.

Section 4. The issuance of the Refunding Bonds will not exceed the Refunding Bond Amount Limitation. The Refunding Bonds shall mature not later than the maximum period of probable usefulness ("PPU") permitted by law at the time of original issuance of the Bonds to be Refunded, as set forth in **Exhibit B** annexed hereto and hereby made a part hereof, for the objects or purposes financed with the proceeds of the Bonds to be Refunded, commencing at the date of issuance of the first bond or bond anticipation note issued in anticipation of the sale of such bonds.

Section 5. The aggregate amount of estimated Present Value Savings is set forth in the proposed Refunding Financial Plan attached hereto as **Exhibit A**, computed in accordance with subdivision two of paragraph b of Section 90.10 of the Law. Said Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in the aggregate principal amount, and will mature, be of such terms and bear such interest as set forth therein. The Town Board recognizes that the principal amount of the Refunding Bonds, the maturities, terms and interest rates, the provisions, if any, for the redemption thereof prior to maturity, and whether or not any or all of the Refunding Bonds will be insured, and the resulting present value savings, may vary from such assumptions and that the Refunding Financial Plan may vary from that attached hereto as **Exhibit A**.

Section 6. The Refunding Bonds may be sold at public or private sale.

(a) If the Bonds are sold at private sale, the Supervisor, as the chief fiscal officer of the Town, is hereby authorized to execute a purchase contract on behalf of the Town for the

sale of said Refunding Bonds, provided that the terms and conditions of such sale shall be approved by the State Comptroller.

(b) In the event that the Refunding Bonds are sold at public sale pursuant to Section 57.00 of the Law, the Supervisor is hereby authorized and direct to prepare or have prepared a Notice of Sale, a summary of which shall be published at least once in (a) "THE BOND BUYER," published in the City of New York and (b) the official newspaper(s) of the Town having general circulation within said Town, not less than five (5) nor more than thirty (30) days prior to the date of said sale. A copy of such notice shall be sent not less than eight (8) nor more than thirty (30) days prior to the date of said sale to (1) the State Comptroller, Albany, New York 12236; (2) at least two banks or trust companies having a place of business in the county in which the Town is located, or, if only one bank is located in such County, then to such bank and to at least two banks or trust companies having a place of business in an adjoining county; (3) "THE BOND BUYER," 1 State Street Plaza, New York, New York 10004; and (4) at least 10 bond dealers.

(c) Prior to the issuance of the Refunding Bonds, the Supervisor shall file with the Town Board all requisite certifications, including a certificate approved by the State Comptroller setting forth the Present Value Savings to the Town resulting from the issuance of the Refunding Bonds. In connection with such sale, the Town authorizes the preparation of an Official Statement and approves its use in connection with such sale, and further consents to the distribution of a Preliminary Official Statement prior to the date said Official Statement is distributed. The Supervisor is hereby further authorized and directed to take any and all actions necessary to accomplish said refunding, and to execute any contracts and agreements for the purchase of and payment for services rendered or to be rendered to the Town in connection with

Section 9. The validity of the Refunding Bonds authorized by this resolution may be contested only if:

- (a) such obligations are authorized for an object or purpose for which the Town is not authorized to expend money, or
- (b) the provisions of law which should be complied with at the date of the publication of such resolution, or a summary thereof, are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

- (c) such obligations are authorized in violation of the provisions of the constitution.

Section 10. Prior to the issuance of the Refunding Bonds, the Town shall contract with a bank or trust company located and authorized to do business in New York State, for the purpose of having such bank or trust company act as the Escrow Holder of the proceeds, inclusive of any premium from the sale of the Refunding Bonds, together with all income derived from the investment of such proceeds. Such Escrow Contract shall contain such terms and conditions as shall be necessary in order to accomplish the Refunding Financial Plan, including provisions authorizing the Escrow Holder, without further authorization or direction from the Town, except as otherwise provided therein, (a) to make all required payments of principal, interest and redemption premiums to the appropriate paying agent with respect to the Bonds To Be Refunded, (b) to pay costs and expenses incidental to the issuance of the Refunding Bonds, including the development of the Refunding Financial Plan, and costs and expenses relating to the execution and performance of the terms and conditions of the Escrow Contract and all of its fees and charges as the Escrow Holder, (c) at the appropriate time or times to cause to be given on behalf of the Town the notice of redemption authorized to be given pursuant to Section 13 hereof, and (d) to invest the monies held by it consistent with the provisions of the

Refunding Financial Plan. The Escrow Contract shall be irrevocable and shall constitute a covenant with the holders of the Refunding Bonds.

Section 11. The proceeds, inclusive of any premium, from the sale of the Refunding Bonds, immediately upon receipt shall be placed in escrow by the Town with the Escrow Holder in accordance with the Escrow Contract. All moneys held by the Escrow Holder, if invested, shall be invested only in direct obligations of the United States of America or in obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which obligations shall mature or be subject to redemption at the option of the holder thereof not later than the respective dates when such moneys will be required to make payments in accordance with the Refunding Financial Plan. Any such moneys remaining in the custody of the Escrow Holder after the full execution of the Escrow Contract shall be returned to the Town and shall be applied by the Town only to the payment of the principal of or interest on the Refunding Bonds then outstanding.

Section 12. That portion of such proceeds from the sale of the Refunding Bonds, together with interest earned thereon, which shall be required for the payment of the principal of and interest on the Bonds To Be Refunded, including any redemption premiums, in accordance with the Refunding Financial Plan, shall be irrevocably committed and pledged to such purpose and the holders of the Bonds To Be Refunded shall have a lien upon such moneys and the investments thereof held by the Escrow Holder. All interest earned from the investment of such moneys which is not required for such payment of principal of and interest on the Bonds To Be Refunded shall be irrevocably committed and pledged to the payment of the principal of and interest on the Refunding Bonds, or such portion or series thereof as shall be required by the Refunding Financial Plan, and the holders of such Refunding Bonds shall have a lien upon such

moneys held by the Escrow Holder. The pledges and liens provided for herein shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder shall immediately be subject thereto without any further act. Such pledges and liens shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise against the Town irrespective of whether such parties have notice thereof. Neither this resolution, the Escrow Contract, nor any other instrument relating to such pledges and liens, need be filed or recorded.

Section 13. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Law, the Town Board hereby elects to call in and redeem all or a portion of the Bonds To Be Refunded which are subject to prior redemption according to their terms on the Redemption Date, as shall be determined by the Supervisor in accordance with Section 8 hereof. The sum to be paid therefor on the applicable Redemption Date shall be the par value thereof, the accrued interest to such Redemption Date and the redemption premiums, if any. The Escrow Holder is hereby authorized and directed to cause a notice of such call for redemption to be given in the name of the Town by mailing such notice at least thirty days prior to such Redemption Date, and in accordance with the terms appearing in the Bonds to be Refunded, to the registered holders of the Bonds To Be Refunded which are to be called in and redeemed. Upon the issuance of the Refunding Bonds, the election to call in and redeem the Bonds To Be Refunded which are to be called in and redeemed in accordance herewith and the direction to the Escrow Holder to cause notice thereof to be given as provided in this Section shall become irrevocable and the provisions of this Section shall constitute a covenant with the holders, from time to time, of the Refunding Bonds, provided that this Section may be amended

from time to time as may be necessary to comply with the publication requirements of paragraph a of Section 53.00 of the Law, as the same may be amended from time to time.

Section 14. This bond resolution shall take effect immediately, and the Town Clerk is hereby authorized and directed to publish the foregoing resolution, in summary, together with a Notice attached in substantially the form prescribed by Section 81.00 of the Law in "*The Journal-News*," a newspaper having general circulation in the Town and hereby designated the official newspaper of said Town for such publication.

RESOLUTION NO. _____
A RESOLUTION ADOPTING THE FOLLOWING SECTION 504 POLICIES AND
GRIEVANCE PROCEDURES FOR THE TOWN OF CLARKSTOWN

SECTION 504 RESOLUTION/TOWN OF CLARKSTOWN

WHEREAS, Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of disability in programs and activities conducted by the U.S. Department of Housing and Urban Development (HUD) or by grantees that receive financial assistance from HUD, and

WHEREAS, Part 8 of Title 24 of the Code of Federal Regulations (24 CFR) requires adoption of grievance procedures to address complaints of those who feel they may have been discriminated against on the basis of disability and also requires the provision of notice of said grievance procedures, and

WHEREAS, it is the policy of the *Town of Clarkstown* not to discriminate against any individual, person, or group on the basis of disability and the intent of the *Town* to address any complaints that may arise pursuant to Section 504,

NOW, THEREFORE, BE IT RESOLVED that the *Town Board of the Town of Clarkstown* does hereby adopt by resolution internal grievance procedures (the "Procedure") providing for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 of the U.S. Department of Health and Human Services regulations implementing the Act, and

BE IT FURTHER RESOLVED, that the *Town of Clarkstown* does hereby designate the *Office of the Town Attorney* as the Grievance Coordinator who shall be responsible for receiving and addressing complaints pursuant to the Procedure adopted hereby and attached hereto, and

BE IT FINALLY RESOLVED, that the *Town of Clarkstown* will place its employees, the public, and potential beneficiaries of certain federal public programs on notice by undertaking certain actions that will include, but may not be limited to (1) providing a copy of the grievance procedure to its employees, (2) putting the public on notice by placing a notice in the *Town's* official newspaper, posting of notices in the *Town's* offices and facilities, placing notices in the *Town's* publications, and/or distribution of memoranda or other written communications subsequent to adoption of this Procedure, (3) placing copies of the Procedure in the *Office of the Town Attorney and the Personnel Department* for review and dissemination, and (4) adding language to federal program brochures to insure all potential program beneficiaries are aware of the *Town of Clarkstown's* adopted grievance procedures.

BACKGROUND: Section 504 of the Rehabilitation Act of 1973 (the "Act") as amended prohibits discrimination on the basis of disability in programs and activities conducted by HUD or that receive financial assistance from HUD. This

includes the New York State Community Development Block Grant-Disaster Recovery (CDBG-DR) Program funded by HUD, administered by the Governor's Office of Storm Recovery (GOSR), and under which the **Town of Clarkstown** has received financial assistance. The Act specifically provides that no qualified individual shall, solely by reason of his or her handicap, be excluded from program participation, including employment, be denied program benefits, or be subjected to discrimination. The Americans with Disabilities Act of 1990 (ADA) established provisions for assuring equality of opportunity, full participation, independent living, and self-sufficiency of disabled persons relative to employment, benefits and services, accommodations, commercial facilities, and multi-family housing.

SECTION 504 POLICY/COMPLIANCE: Part 8 of Title 24 of the Code of Federal Regulations (24 CFR) requires the adoption and notice/publication of ADA grievance procedures for municipalities with 15 or more employees, Sections 8.53 and 8.54, respectively. Therefore, be it known that it is the policy of the **Town of Clarkstown** not to discriminate on the basis of disability. Towards that end, the **Town of Clarkstown** has adopted by resolution an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) of the U.S. Department of Health and Human Services regulations implementing the Act. The subject law and implementing regulations may be examined in the **Office of the Town Attorney**. The **Office of the Town Attorney** for the **Town of Clarkstown** has been designated to coordinate the efforts of the **Town of Clarkstown** with respect to Section 504 compliance. This information can also be accessed on the Internet at the following address:
http://portal.hud.gov/hudportal/HUD?src=/program_offices/fair_housing_equal_opp/disabilities/sect504. The **Office of the Town Attorney** is located at **Town of Clarkstown, 10 Maple Avenue, New City, New York**. The Section 504 Coordinator can be reached at **845-639-2060**.

GRIEVANCE PROCEDURE: Any person who believes he or she has been subjected to discrimination on the basis of disability may file a grievance under the procedure adopted by the **Town of Clarkstown** outlined below.

- Grievances must be submitted to the Section 504 Coordinator within 60 days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 504 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 504 Coordinator will maintain the files and records of the **Town of Clarkstown** relating to such grievances.
- The Section 504 Coordinator will issue a written decision on the grievance no later than 30 days after its filing.

- The person filing the grievance may appeal the decision of the Section 504 Coordinator by writing to the **Office of the Town Supervisor** within 15 days of receiving the Section 504 Coordinator's decision. The **Town Supervisor** shall issue a written decision in response to the appeal no later than 30 days after its filing.
- The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Health and Human Services, Office for Civil Rights.

The **Town of Clarkstown** will make appropriate arrangements to ensure that disabled persons are provided accommodations, if needed, to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing taped cassettes of material for the blind, or assuring a barrier-free location for the proceedings. The Section 504 Coordinator will be responsible for such arrangements.

It is against the law for the **Town of Clarkstown** to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.
